PROFILE

Passionate cannabis enthusiast and experienced customer-facing professional with a genuine love for the plant and the communities that grow around it. Backed by 20 years of professional creative experience (graphic design, social media, digital marketing), I bring rare added value to any dispensary team: the ability to design in-store signage, create compelling social media content, and help a brand stand out visually — all on top of providing exceptional, knowledgeable service to every customer. Natural communicator, quick learner, and committed to making every interaction memorable.

WHAT I BRING TO THE TEAM

- Deep personal interest in cannabis.
- Proven customer service experience across retail and hospitality — comfortable with all types of customers.
- 20 years of graphic design and social media marketing expertise — I can create content, signage, and campaigns that elevate your brand.
- Calm, personable, and professional under pressure — adaptable to fast-paced retail environments.
- Bilingual: English and Afrikaans — able to serve a broad customer base.

EXPERIENCE

Creative Director · Menzies Media

Nov 2019 – Present

Full-time · Johannesburg, Gauteng

- Led social media content strategy and design for multiple major South African brands — creating campaigns, managing brand voice, and delivering measurable audience growth.
- Designed all marketing collateral across print and digital: signage, product promotion, social posts, email, and web.
- Developed deep understanding of consumer behaviour, brand storytelling, and visual communication — skills directly transferable to a customer-facing retail environment.

Art Director · Menzies Media

Jul 2016 – Oct 2019

Full-time · Johannesburg, Gauteng

- Created and managed social media visual content across multiple brand accounts — building consistent, on-brand presences.
- Art directed campaigns for lifestyle and consumer brands; developed strong product photography and visual merchandising instincts.

Graphic Designer · **Co-Founder** · Bang Bang Advertising

Feb 2007 – Feb 2010

Full-time · Johannesburg, Gauteng

- Co-founded and built a design and print business from scratch — handling client relationships, briefings, and production end-to-end.
- Developed strong interpersonal and communication skills through daily client-facing interactions.

Salesperson / Teller · Look & Listen

Jan 2005 – Jul 2005

Part-time · Clearwater, Gauteng

- Retail sales floor and till operations at a busy entertainment retailer; completed formal Customer Service Training Program.
- Engaged customers on product knowledge, made recommendations, and handled transactions accurately.

Waiter · Maloney's Restaurant

Aug 2005 – Dec 2005

Part-time · Johannesburg, Gauteng

- Front-of-house service in a high-traffic restaurant; developed patience, attentiveness, and the ability to read and respond to customer needs.

Fine Artist · Freelance Designer · waltviviers.com

2010 – Present

Freelance · Pretoria, Gauteng

- Independent creative practice: fine art, illustration, and freelance design — demonstrating self-motivation, discipline, and passion-led work.
